

GROSSGLOCKNER BERGPREIS

Friday & Saturday - May 30 & 31, 2025

Exclusively for Vespisti with VESPA SuperSport 180 or SuperSprint 50/90

The origin

Inspired by our shared joy of the Vespa and the original driving of the Vespa, motivated by wonderful Vespa events in Italy, Germany, Austria and Switzerland, which we have been able to take part in over the last few years and are proud to share with our friends from all over Europe being able to show our homeland with its great mountain landscape led to the idea in 2017, a very special and limited event just for our friends with their Vespa tubular handlebar models close. The joy of the GROSSGLOCKNER BERGPREIS was enormous, the day was great and everyone Participants enthusiastic. In 2018 the GS models impressed, in 2019 the Super Sport 80 & Super Sprint 50 + 90 models, in 2020 it's all about the Vespa Rally 180 + 200 models at the GROSSGLOCKNER BERGPREIS, in 2021 again the Vespa tubular handlebar models and in the year in 2025, on the occasion of 61 years of SuperSport 180 and 60 years of SuperSprint 50/90, we let it go again the "SuperSporten & SuperSprints" climb the mountain!!

GROSSGLOCKNER BERGPREIS 2025

SuperSport 180 & SuperSprint 50/90

The competitions

- Grossglockner Mountain Prize - uniformity race with Le Mans start, time controls and stamp points
- Concentration race Edelweiss Spitze - 1.6 km of narrow serpentine road.

The awards

Only friends take part in this event and every friend who climbs the Grossglockner Bergpreis with their Vespa learns is a winner! Every Grossglockner winner receives an original paving stone for their participation the Grossglockner High Alpine Road, with which this mountain road had bends until the 1960s and 1970s was paved and he also gets his Grossglockner Bergpreis plaque with a personal engraving of his name!

The route

Zell am See Le Mans start 9.00 a.m. (Km0) - Bruck (Km6) - Fusch (Km14) - Ferleiten toll station (Km21)(STAMP)
Re-start in Le Mans style - Fuschertörl (Km34) (STAMP) - Edelweiss Spitze (Km36) - Hochtor (Km44) (STAMP)
Heiligenblut (Km59) (lunch + STAMP) - Iselsberg (Km87) - Lienz (Km98) (STAMP) - Felbertauerntunnel (Km145)
Mittersill Castle (Km165) (DELIVERY OF THE STAMP CARD) - Zell am See (Km190) - Total approx. 190 km

Timekeeping is not the most important thing! - The most important thing is the shared experience in friendship with peers minded Vespisti from all over Europe! Timekeeping is carried out using time clocks from the 1950s and 1960s..
